Housing Policy

2016 - 2017

The PSR logo is interpreted as a vine growing boldly in new directions, drawing life and energy from the ground—the many cultures and faith traditions—in which it is rooted.

Over time and based on experience, representing the voice of students, staff, and faculty, the provisions of PSR's Housing Policy have been developed to serve as a guide for community living. The regulations are designed to provide a safe living environment, administer fairly to residents' needs and requests, care for the environment, and preserve PSR's facilities.

The goals of the Housing Department are to extend welcome to those who will be calling PSR "home" while attending seminary and to support PSR's Direction Statement which, in part, reads:

"... we place high value on ... creation of community ... honesty ... mutual respect ... integrity; we seek to embody these values and disciplines in our programs and our common life."

Your familiarity with and adherence to the terms of PSR's Housing Policy is a condition of living in campus housing and your input to enhancing their clarity and comprehensiveness is solicited.

Pacific School of Religion affirms its commitment to equality of opportunity for all individuals. This commitment requires that no discrimination shall occur regarding admission or access to, or treatment or employment in, any program or activity in the seminary on the basis of age, race, color, national or ethnic origin, ancestry, citizenship, sex, gender, gender identity and expression, sexual orientation, disability, medical condition, religion or marital status. PSR prohibits and will not tolerate discrimination, including harassment, intimidation, and violence, on the basis of age, race, color, national or ethnic origin, ancestry, citizenship, sex, gender, gender identity and expression, sexual orientation, disability, medical condition, religion, marital status, or any other characteristic protected by applicable law in the administration of PSR's programs and activities. This policy is in accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975.

B. Priorities

Housing applications received by established deadlines are given first priority according to the following student categories:

- 1) Full-time PSR students⁵
 - a) Continuing PSR students who:
 - i) are in their original program
 - ii) are in satisfactory financial/academic standing
 - iii) meet all other eligibility requirements as outlined herein⁶
 - b) New International PSR students and students from American Samoa
 - c) New domestic PSR Students
 - d) PSR students changing degrees, adding programs, enrolling in a field education/internship/CPE (Clinical Pastoral Education) program approved by the Director of Field Education
 - i) If a student is approved to change degree programs, the housing eligibility expiration date will be calculated by subtracting the time already spent in housing from the time allowed based on the new program.
 - ii) If a student is approved to add a program to his/her original degree, the applicable additional time may be added to the student's housing eligibility time limit.
 - iii) If a student enrolls in a full-time field education/internship/CPE program approved by the Director of Field Education prior to his/her final semester in his/her program, extra time up to 2 additional semesters may be added to the student's housing eligibility time limit.
- 2) Part-time PSR Students⁷
 - a) New International PSR Students and students from American Samoa,
 - b) New domestic PSR Students,
 - c) PSR students changing degrees, adding programs, enrolling in a field education/internship/CPE (Clinical Pastoral Education) program approved by the Director of Field Education
 - i) If a student is approved to change degree programs, the housing eligibility expiration date will be calculated by subtracting the time already spent in housing from the time allowed based on the new program.
 - ii) If a student is approved to add a program to his/her original degree, the applicable additional time will be added to the student's housing eligibility time limit.

TERMS AND CONDITIONS

A. Features

1) Building Managers

Managers are designated for each residential building; their responsibilities include assigning communal jobs (if applicable), reporting non-compliance with housing policies to the Housing Office, serving as a resource for assistance with housing issues such as locking one's self out of one's unit¹³, notifying the Office of Community Life about conflicts among residents, and monitoring building security/maintenance as well as compliance with fire safety guidelines.

2) Residents of Anderson Hall ("Arch") and Benton Hall

Residents of Anderson Hall ("Arch") and Benton Hall are required to accept one or more communal (cooperative cleaning) jobs, as assigned by the Building Manager.

Potential consequences of non-compliance:

Refusing or neglecting to perform an assigned communal job: referral to Sr. Administrative Staff for disciplinary action.

3) All residents

All residents, regardless of building assignment, are required to maintain their unit in a responsible manner.

4) Utility costs

Utility costs (gas, electricity, water, refuse disposal) are included in the unit's rent.

5) Keys

One original set of keys (building/unit/laundry/mailbox, as applicable) is provided free of charge to each adult resident listed on the Housing Contract; residents may not duplicate keys; additional sets may be requested from the Housing Office to accommodate special circumstances. Replacements for lost keys ¹⁴will be provided for a fee.

6) Meal Plan

Residents of dormitory units are required to participate in the Meal Plan, the cost of which is included in their "room and board" charge; all other PSR students enrolled in a degree program must purchase one "*unCommon Dining Block 25 Meal Card*" per semester. To receive exemption from the meal plan, student must provide a letter from a medical doctor stating their need for a specific diet requiring personal monitoring.

7) WIFI service

WIFI service is available in many locations on campus at no additional tuition/fee charge; residents in buildings without WIFI service or who wish to have their own internet access may set up accounts at their own expense.

8) Telephones

¹³ If individuals lock themselves out of their units more than 3 times per month, a \$10 fee will be billed to their account for each subsequent lock-out in that month.

¹⁴ If the loss of a key represents a security risk and it is deemed necessary to rekey or replace locks, the resident may be billed for the resulting costs.

At a minimum, one workable telephone jack and associated telephone wiring are provided and maintained in good working order in each unit; residents are responsible for supplying the telephone hardware/phone line and establishing an account at their own expense. Activation of landline telephone service and/or repair of the telephone jack/wiring must be coordinated through the Housing Office; costs associated with activation/repair that have been attempted without involvement of the Housing Office will not be reimbursed to the residents.

9) Internet/Cable Service

Residents may establish private internet/cable service at their own expense; however, cable or satellite dishes may not be installed without written consent of the Housing Office.

Potential consequences of non-compliance:

Fine + cost of repair/replacement.

10) Insurance

Insurance While PSR maintains certain types of insurance on its residential structures, it does not provide any financial protection and assumes no liability for the theft/loss of or damage to residents' personal possessions (including but not limited to residents' property kept in their residential unit as well as vehicles/bicycles stored in other locations on campus). Residents may obtain "renters insurance" at their own expense.

11) Furnishings

a) Dormitory Units:

- i) Each dormitory unit is furnished with a bed¹⁵, desk/lamp/chair, dresser, bookcase, wardrobe/closet.
- ii) Residents may have one mini-size refrigerator.

b) Non-Dormitory Units:

- i) Furnishings are not provided¹⁶ except for a stove/oven and one full-size refrigerator.
- ii) Floor coverings may not be altered.

Removal/relocation/confiscation of PSR furnishings and/or leaving behind non-PSR furnishings/ personal items upon move out may result in charges for replacing missing furniture or removing personal belongings. Items one resident is passing to a subsequent resident must be removed completely from the apartment between tenants. This allows Facilities to inspect, take inventory, and complete maintenance tasks unencumbered by personal things left behind. If removing personal items which have been affixed to walls results in damage, repair costs may be incurred.

12) Laundry

All residents have access to coin operated washers and dryers.

¹⁵ Residents may submit a request to the Housing Office for removal of the bed provided. A medical doctor's note is required specifying the medical needs of the resident if any other standard PSR furnishings must be altered to accommodate such needs.

¹⁶ PSR International students as well as PSR students from American Samoa, Alaska, and Hawaii may submit a request for furnishings through the Housing Office; approvals are subject to availability and not guaranteed. If furnishings have been provided per request but upon arrival the student requests removal, a service fee per item will be charged. Linens appropriate to the type of beds requested, 2 sets of towels per person, and basic kitchenware may be provided upon request, subject to availability.

13) Access

Certain units have been modified to accommodate differently-abled students (e.g. support bars, visual aids for the hearing impaired, ramps); non-disabled students living in units with such modifications may be relocated at the end of a housing contract period if the unit is needed for a differently-abled student.

14) Housing, Facilities, Reception/Mail Department Services

a) The **Housing Department** manages permanent housing assignments (including residents' mailbox assignments), schedules the use of guest rooms (including unassigned units), assigns campus parking spaces, provides guest house-keeping services, and issues commuter lockers and mailboxes not associated with commuter parking hang tags.

i) Mailbox Assignments—Residential Students

All students in PSR housing, regardless of school affiliation, are required to have a PSR mailbox. The Housing Office will assign mailboxes to residential students. Depending upon the location of their housing unit, residential students could have both a PSR mailbox in the Holbrook Administration Building and a residential mailbox at their physical location. Each adult resident named on the Housing Contract will receive mailbox keys as applicable; upon termination of residency, residents must return their mailbox keys along with applicable forwarding information.

ii) Mailing Address:

(a) Residents assigned to Anderson Hall (Arch) and Benton Hall must use the following mailing address and may receive personal and business mail and packages for their spouse/partner and their dependents as well as for themselves:

Resident's Name
1798 Scenic Ave. Box _____ (insert assigned mailbox number)
Berkeley, CA 94709

Inter-campus mail, returned assignments from professors, and business office correspondence, will also be placed in these residents' PSR mailbox.

When Arch and Benton residents vacate their units, they cannot arrange for the forwarding of their mail through the US Post Office; they must provide forwarding labels to Reception so that their first class mail can be forwarded for one semester.

(b) Residents assigned to units in buildings other than Arch and Benton Halls must have their postal mail and packages addressed to their physical location, **NOT** to their PSR mailbox:

Unit “common name”	Unit physical/ mailing address
Castleview Hall—units 1 through 6	2363 LeConte Ave.
Castleview Hall—units A, B, C	2365 LeConte Ave.
Kofoid Hall—all units	2369 LeConte Ave.
McCown Hall—all units	2479 LeConte Ave.
Brock Hall—all units	1729 Arch Street
1700 Scenic Ave.	Same
1716 Scenic Ave.	Same
1718 Scenic Ave.	Same
1717 Arch Street—all units	Same
2322-24 Virginia Street	Same
2330-32 Virginia Street	Same
2340-44 Virginia Street	Same
2352-54 Virginia Street	Same
2366 Virginia Street—all units	Same
2378-80 Virginia Street	Same
2317 LeConte Ave.—all units	Same

These residents’ PSR mailboxes will be used for Inter-campus mail, returned assignments from professors, and business office correspondence, only.

When residents of the units listed above vacate, they **must** arrange for the forwarding of their mail through the US Post Office; Reception will not be responsible for forwarding any correspondence.

- iii) Mailbox Assignments—PSR Commuter Students
 - (a) PSR commuter students who wish to park in the Holbrook lot are required to have a PSR mailbox and will receive mailbox assignments from Reception along with their parking hang tag.
 - (b) PSR commuter students who do not park in the Holbrook lot may request a PSR mailbox and will receive mailbox assignments from the Housing Office.
 - (c) No USPS mail or packages may be sent to PSR mailboxes—they are for intercampus mail only.

- b) The **Facilities Department** performs maintenance and repair work on units throughout the year. Unit maintenance problems and requests for repairs must be reported on a *PSR Maintenance Request Form (MRF)*, available from the Holbrook Reception Desk; a completed MRF implies the residents’ consent for Facilities staff to enter their unit.
 - i) Maintenance, repairs, guest services, and house-keeping which require access to the resident’s unit are governed by the following guidelines:
 - (a) Under no circumstances¹⁷ will a member of the Housing or Facilities staff enter a unit where there are children under the age of 18 but no adult resident is present or where an un-crated pet shows aggressive/protective behavior.

¹⁷ Except in the case of an emergency/disaster. See the Emergencies/Disasters section.

- (b) If no restrictions for interior work have been specified on the MRF, Facilities staff will not provide advance notice but upon arrival at the unit will knock loudly, announce their entrance, and proceed to perform their work if occupants do not object or if no occupant is present.
 - (c) If restrictions for interior work have been specified on the *MRF* (e.g. resident has a pet and requests 24 hours advance notice of entry), Facilities staff will set an appointment and, upon arrival at the unit at the specified time, will knock loudly, announce their entrance, and proceed to perform their work if occupants do not object or if no occupant is present.
- ii) Student-initiated modifications to residential units (including but not limited to cable or satellite dish installation, carpet installation/removal, wall installation of televisions) are prohibited without the express written consent of the Director of Facilities.

Potential consequences of non-compliance:

Fine + cost of repair/replacement.

- iii) Painting of any element of a unit (walls, floors, ceilings, appliances, windows, doors, decks, fixtures, etc.) is prohibited.

Potential consequences of non-compliance:

Fine + cost of repair/replacement.

- c) The **Reception/Mail Services Department** receives and distributes mail/packages, handles mail forwarding, makes meeting/classroom reservations, and manages the Holbrook parking lot (including mailbox assignments to commuter students issued parking hang tags).
 - i) USPS mail is distributed each business; delivery service items (e.g. UPS, Fed. Ex., DSL, etc.) arrive throughout the day.
 - ii) Forwarding of first class mail for vacating Arch and Benton Hall students is performed by student workers in Reception; vacating students must provide Reception with enough forwarding labels to last for one semester, the maximum forwarding period.
 - iii) PSR Commuter students who want to park in the Holbrook Building lot must have a PSR mailbox and a green hang tag (tags are coded with the student's initials and their PSR mailbox number)—reception personnel will assign the mailbox, issue the hang tag, and sell parking tickets; Commuter students must purchase parking tickets to hand to the parking attendant upon each entry into the lot—there is a per ticket cost or a discounted rate with bulk purchases.

B. Noise Control

- 1) “Quiet Hours” are observed from 10:00 p.m. to 7:00 a.m. daily in all residential facilities, on patios and roof tops connected/adjacent to residential facilities, and on the “Quad” (open lawn area) outside of Benton Hall; during these hours, no noise may be generated that could travel into any unit from another unit or common area.

- 2) Between 7:00 a.m. and 10:00 p.m., all residents must be mindful of any noise generated that could interfere with the ability of others to sleep or study; unacceptable noise is that which can be heard more than 20 feet from outside a residence; community activities in common areas (e.g. the Quad, patios, and roof tops), may not begin before 7:00 a.m. or extend beyond 10:00 p.m.
- 3) Use of amplified sound in outdoor areas without permission is prohibited.¹⁸

Potential consequences of non-compliance:

Fine + Referral to Sr. Administrative Staff for disciplinary action.

C. Illegal Drugs, including medical cannabis (marijuana)¹⁹

- 1) PSR is a drug-free campus; possession, use, manufacture, sale, distribution or consumption of illegal and/or dangerous drugs is prohibited.
- 2) Possession of paraphernalia containing controlled substances or residue of controlled substances are prohibited.

Potential consequences of non-compliance:

Housing contract termination.

D. Smoking

- 1) Smoking, or any other method of ingesting, medical cannabis (marijuana) is not permitted anywhere on campus; as a condition of participating in Title IV funding, PSR is required to have and enforce a drug-free-campus policy. The federal government does not recognize the use of marijuana as a legal medical treatment, even though it is provided for in CA State law, and does not identify medical marijuana as a legitimate exemption from this policy.
- 2) Smoking is not permitted inside any PSR building, including but not limited to:
 - a) residential buildings/units,
 - b) Holbrook Administration, Mudd, D'Autremont, Chapel, CLGS Cottage.
- 3) Smoking is permitted outdoors²⁰ except:
 - a) within 25 feet of building entrances, exits, or operable windows,
 - b) on any residential roof top or associated patio, including children's designated play areas,
 - c) on the deck behind D'Autremont Hall,

¹⁸ During certain times of the year, PSR endorsed sports events (e.g. soccer, "Quidditch," croquet), as well as community gatherings are held on the Quad; Benton residents in particular must be aware that "joyful noise" from the Quad will filter into the residential hall during these activities.

¹⁹ PSR is required, as a condition of participating in Title IV funding, to have and enforce a drug-free-campus policy. The federal government does not recognize the use of marijuana as a legal medical treatment, even though it is provided for in CA State law, and does not identify medical marijuana as a legitimate exemption from this policy.

²⁰ There are no established "designated smoking areas" on the PSR campus—individuals may smoke in any area that does not violate the above stipulations; the location of trashcans with attached ash trays does not indicate a designated smoking area. Individuals who smoke must avoid littering and are responsible for disposing cigarette butts in trash cans.

- d) within public gathering places,
- 4) Those who smoke must:
 - a) respect the rights of those who do not smoke,
 - b) ensure that their smoke does not enter buildings,
 - c) ensure proper disposal of cigarette butts, not leaving them on the ground.
- 5) Those who do not smoke must:
 - a) respect the rights of those who do,
 - b) report smoking policy violations to the Office of Community Life.

Potential consequences of non-compliance:

Housing contract termination.

E. Emergencies/Disasters

Pacific School of Religion has policies and procedures to deal with a major emergency or disaster affecting the campus and surrounding areas. In most cases, PSR's Facilities Department and local community agencies are responsible for responding to emergencies. Those designated as emergency responders may enter any residential unit without the permission of the resident(s) in order to assure the safety and/or rescue of occupants/pets. Residents must register overnight guests with the Housing Office to ensure their safety should an emergency occur during their stay.

1) Fire Safety

- a) Use of items creating an open flame or producing smoke indoors is prohibited—e.g. no candles, matches, incense, cigarettes, pipes, cigars, flame starters, lighters.

Potential consequences of non-compliance:

Fine per violation after first warning to discontinue use.

- b) Possession/storage of explosives and flammable substances (e.g. firecrackers, lamp oil, gasoline, lighter fluid, chemicals that are toxic or explosive in nature) within residential units is prohibited.

Potential consequences of non-compliance:

Monthly fine until item(s) has/have been removed.

- c) No alterations may be made to the electrical system including but not limited to installing ceiling fans or air conditioners and changing outlets or light fixtures; use of extension cords and multiple-plug adaptors is not recommended except to provide surge protection for computers; use of strings of decorative lights is prohibited; use of appliances outside their designated areas is prohibited.

Potential consequences of non-compliance:

Fine + cost of repair/replacement

- d) The installation/use of additional appliances, except as previously noted in “Furnishings”, overloads the electrical system and is restricted as follows:
 - i.) In dormitory units appliances such as microwaves, toaster ovens, hot plates, crock pots, space heaters are prohibited.

- ii.) In non-dormitory units major appliances such as washing machines/dryers, dishwashers, space heaters, additional refrigerators are prohibited.

Potential consequences of non-compliance:

Failure to remove unauthorized appliances within 30 days of being notified by a Building Manager or member of PSR staff/faculty to do so: Monthly fine until the item(s) has/have been removed.

- e) Upon the sounding of a fire alarm, all occupants must evacuate the unit/building immediately and follow specific evacuation and safety procedures.

Potential consequences of non-compliance:

Referral to Sr. Administrative Staff for disciplinary action.

- f) All units/buildings are equipped with required fire safety equipment. Misusing or tampering with fire safety equipment; obstructing, accumulating or storing items in or on fire escapes/hallways/ internal or external doorways; removing/disabling smoke detectors and fire extinguishers; removing/propping open doors are prohibited.

Potential consequences of non-compliance:

Fine + cost of repair/replacement + referral to Sr. Administrative Staff for disciplinary action.

- g) BBQ's 150 square inches or smaller may be used on ground level, outdoor cement/concrete patios with proper supervision; BBQ's may not be used indoors, on roof tops, or on any wooden deck/patio; charcoal and lighter fluid²¹ may not be stored in or near residential facilities; those using BBQ's must ensure that the BBQ is placed so that smoke does not enter any residential facility; clean, unused BBQ's may be stored within residential facilities.

Potential consequences of non-compliance:

Fine per violation.

2) Earthquake Preparedness

- a) All residents must read the Earthquake Safety procedures.²²
- b) All residents must complete an Earthquake Information Form upon move in and inform the Housing Office of any updates to such information (e.g. contact telephone number[s]) as applicable.

F. Guests

- 1) A guest is defined as someone staying in a student's residential unit who is not on the contract.
- 2) Residents may have guests under the following conditions:
 - a) No one who has been evicted from PSR housing may be hosted as a guest in another PSR unit.
 - b) Guests are subject to the housing policies of PSR and any dormitory regulations; the host residents are responsible for ensuring the guest's knowledge of such policies/regulations and for taking immediate and appropriate action to prevent or stop a policy/regulation violation by a guest.
 - c) Residents must register their guests with the Housing Coordinator, supplying the guest's name and length of stay.

²¹ PSR recommends the use of charcoal starter chimneys to eliminate the need for lighter fluid.

²² Earthquake Safety Procedures are posted on bulletin boards in each residential building and are available on the PSR website at www.psr.edu/earthquake-and-emergency-procedures

- d) Residents of Anderson Hall (“Arch”) dormitory suites must have the permission of their suitemates prior to inviting guests.
- e) Guests may stay 7 consecutive overnights at no charge. Beyond 7 nights, guests will be charged \$10 per overnight. Maximum number of nights for any guest(s) (sequential or intermittent) is 20 per semester.

Potential consequences of non-compliance:

Failure to register guests and report accurate information about their length of stay may result in a fine and revocation of the privilege to host guests; student residents are responsible for all costs to repair any damages caused by guests; hosting individuals who have been evicted from residences for any reason will result in termination of the resident host’s housing contract.

G. Social Gatherings

PSR sanctions community building social gatherings and encourages resident sponsored assemblies; non-residential venues such as the Chapel, Mudd 100, conference rooms, D’Autremont, and classrooms may be reserved for such activities through the website: <http://roomres.psr.edu>. Additionally there are two residential “common” areas large enough for social gatherings: Benton Hall Lounge and Anderson Hall (Arch) Roof; however, because of their location within residence halls, specific guidelines govern their use:

- 1) Planned gatherings/parties must be cleared in advance with the respective building manager; a social gathering may not be announced until written permission from the appropriate Building Manager has been received.
- 2) Responsible behavior regarding security, set-up/clean-up, alcohol consumption is required; throwing, dropping, or projecting objects or substances off of, out of, or into residential facilities (e.g. keys, food, garbage, water balloons) is prohibited.
- 3) All standard housing policies apply.
- 4) The Benton lounge may be reserved by Benton Hall residents only; the Arch roof may be reserved by Arch residents only.
- 5) Those attending are restricted to invited students and their guests—students must accompany their guests.
- 6) Building doors may not be propped open to admit participants—someone must be designated to admit participants or a phone number must be posted for participants to call (intercom buzzers may not be used).
- 7) The resident who reserved the venue must take responsibility for monitoring the event to ensure that noise is controlled, security measures are followed, end times/clean-up requirements are observed.
- 8) Spontaneous gatherings of those in residence (e.g. to watch a sports event on the Benton TV or to watch a sunset from the Arch roof) are not the subject of this policy; however, standard noise/conduct guidelines still apply.

Potential consequences of non-compliance:

Fine + cost of any damage repair + revocation of privilege to sponsor social gatherings.

H. Student Services/Businesses/Advertising

- 1) A coded computer lab is available in the Mudd Building to all PSR students.
- 2) A coded commuter student lounge is available in the Mudd Building.
- 3) A coded study room in Mudd 104, except when scheduled classes are taking place.
- 4) The Chapel of the Great Commission and the Buckham Chapel are available to students and may be accessed via a coded door when not officially scheduled for an event.²³
- 5) Students may offer assistance to each other on an informal basis (e.g. proofing papers, dog-sitting, childcare); however, operating any “for profit” business (e.g. door-to-door solicitation, mail order, massage) in or around the residences is prohibited.

Potential consequences of non-compliance:

Fine after first warning and referral to Sr. Administrative Staff for disciplinary action.

- 6) Approved notices may be placed on bulletin boards as designated by the Housing Coordinator; posting notices which have not been stamped “RECEPTION APPROVED” is prohibited.

Potential consequences of non-compliance:

Referral to Sr. Administrative Staff for disciplinary action.

I. Pets

- 1) Students may bring **one spayed or neutered** cat or dog to live with them if the student’s assigned unit is either:
 - a) a room in an Anderson Hall (dormitory) suite **or**
 - b) a studio, 1-, 2-, or 3-bedroom apartment
- 2) Students bringing pets may be assigned to a unit where a pet is already present.
- 3) Benton Hall (dormitory) is maintained as a “pet-free” environment; students authorized to have service animals will not be assigned to a unit in Benton.
- 4) No aggressive or attack-trained animals are allowed.
- 5) Once a student has moved into a housing unit, they **may not** acquire a pet.
- 6) Pets may not be tied up and/or left unattended outside any campus building.

²³ Student use of either Chapel is restricted to prayer, meditation, or practicing piano.

- 7) Fostering an animal who is awaiting adoption is not permitted.
- 8) Students must:
 - a) Register their pet with the Housing Office and complete a Pet Contract upon move in to their unit.
 - b) Pay a non-refundable Pet Ownership Fee per semester.
 - c) Provide immunization records and proof of spay/neuter for their pet within 30 days of move in.
 - d) Keep their pet free of fleas.
 - e) Clean up after their pet and dispose of waste properly and promptly in dumpsters, not in trash cans on the “quad”.
 - f) Supervise their pet to prevent damage to PSR property, injury to anyone in the PSR community, annoyance to other residents.
 - g) Pay for any damages caused by their pet.
- 9) Dog owners must:
 - a) Provide proof that the animal has been registered/licensed with the City of Berkeley within 30 days of move in.
 - b) Abide by the City of Berkeley’s Municipal Codes including Section 10.04.090, a portion of which states: Except in an area specifically set aside and designated by the City Council as a “dog park” or “off-leash” area, no owner/guardian or keeper of a dog shall allow or permit such dog, whether licensed or unlicensed, to be or run at large in or upon any public place or premises, or in or upon any private place or premises, other than those of said owner/guardian or keeper except with the consent of the person in charge of said private place or premises, unless such dog is securely restrained by a substantial leash not to exceed six feet in length and is in charge and control. An obedience-trained dog under effective charge and control within six feet of his master shall be deemed to be on a leash.
 - c) Abide by PSR’s “leash guidelines:”

Dogs (residential and from the neighborhood) must remain leashed between 8:30 a.m. and 5:30 p.m. when students, staff, faculty, visitors, and guests are traveling between campus buildings and gathering for outdoor small group discussions or study. From 5:30 p.m. to 8:30 a.m. the following morning, dogs may be off-leash as long as their behavior is acceptable and obedient. Dogs must be leashed upon request, even during an “off-leash” period, if their behavior appears threatening, aggressive, or disobedient.
 - d) Be sensitive to those who have allergies to dogs and/or do not wish to be around them; when in common areas of the residential facilities (e.g. stairwells, roof, hallways) or the administration building, keep dogs on their leash, regardless of whether or not they are obedience-trained.
 - e) Not bring dogs into D’Autremont, Mudd, either Chapel or the Holbrook reception areas, behind the reception desk or in the mailroom.

Potential consequences of non-compliance:

Relocation of pet off campus; fines; housing contract termination

J. Parking/Operation of Motorized Vehicles, Scooters, Bicycles, Skateboards and Rollerblades

- 1) Motorized Vehicles (Cars, Trucks, Vans, Motorcycles)

- a) PSR-affiliated student residents may request one assigned, guaranteed campus parking space for a per month or per semester fee.
- b) A lottery will be held should the number of PSR-affiliated student requests exceed the number of campus spaces available.
- c) After assignments have been made to PSR-affiliated residents, remaining available campus spaces will be offered to other resident students as well as the spouses/partners of students.
- d) No unassigned campus parking space may be used by any resident or guest without the written permission of the Housing Coordinator; daily parking fees may apply.
- e) The assignment of campus parking spaces is not transferable.
- f) Residents assigned campus parking spaces must sign a Parking Contract and provide the following information, updating it as applicable:
 - License plate number
 - Make, Model, Color, Year of vehicles
- g) Parking contracts may be executed at any time while a student is in housing and will be prorated as follows:
 - If a student begins a parking contract on any date from the 1st through the 15th of the month, charges will start as of the 1st of the month; if the parking contract begins from the 16th through the last day of the month, charges will start as of the 16th
 - Conversely, if a contract ends on any date from the 1st through the 15th of the month, charges will end on the 15th; if the contract ends from the 16th through the last day of the month, a full month's rent will be charged
- h) All the laws of the City of Berkeley, California Vehicle Code and the rules and regulations of PSR are enforced 24 hours-a-day, seven days-a-week.
- i) Any individual registering or parking a vehicle shall be responsible for its operation at all times.
- j) Granting parking or vehicle operating privileges on PSR property creates no liability. PSR assumes no responsibility for the care and/or protection of vehicles or their contents while operated or parking on PSR property. **PLEASE LOCK YOUR CAR DOORS.**
- k) Cars must be operated and parked in a manner that assures the safety of other vehicles and pedestrians on PSR premises.
- l) Parking is permitted only in one's designated parking place. The entire vehicle must be within the boundary lines of the parking space.
- m) All vehicle operators should notify PSR housing office if for any reason a vehicle different from that registered would be parked in their assigned parking space.
- n) Revocation of parking privileges may be made by the PSR housing office for failure to observe parking regulations. Parking privileges may also be revoked if the student is no longer in good academic or financial standing at PSR.
- o) In the event of mechanical failure of a vehicle, the owner/driver is responsible for its removal as soon as available services permit.
- p) The owner/driver must notify PSR if they wish to discontinue their parking contract.

2) Scooters (Mopeds, etc.)

- a) Residents eligible for assigned campus parking spaces may request an assignment for their scooters according to the "Motorized Vehicles" section above **or** may park and lock their scooters within the

bicycle rack section of the security garage located in the lower level of Anderson Hall (“Arch”) at no charge.

b) Scooters, and similar small motorized two-wheel modes of transportation, may not be operated or parked in or around residential/administrative facilities (e.g. on sidewalks, patios, paths, courtyards).

3) Bicycles²⁴

a) Residents may park and lock bicycles in the security garage located in the lower level of Anderson Hall (“Arch”), at any bike rack located on campus, or in their assigned housing unit at no charge.

b) Bicycles may not be:

i) secured to handrails, guardrails, lamp/sign posts

ii) stored in hallways/vestibules/lounges/common/shared areas or on fire escapes

iii) operated in or around residential facilities (e.g. on sidewalks, patios, paths, courtyards)

c) Bicycles are not allowed in administrative buildings.

4) Skateboards and Rollerblades

a) Skateboards may not be used in residential facilities, including courtyards and patios, or on the “quad”.

b) Roller blades may not be used in residential facilities, including courtyards and patios, or on the “quad”.

Potential consequences of non-compliance:

PSR may impose fines due to the irresponsible operation of vehicles. PSR may place violation notices on, charge fines for, and/or remove/tow vehicles at the owner’s expense parked in unauthorized campus locations.

²⁴ Theft of bicycles is, unfortunately, common. Sturdy locks (not chains) are recommended, even if bikes are kept in the security garage. Any time a bike is unattended, removing personal items, saddlebags, etc. is recommended. PSR accepts no liability for stolen personal property.

K. Student-Initiated Housing Contract Changes and Cancellations/Vacates

Students may cancel their housing contracts at any time, subject to the fees/penalties²⁵ outlined in the following chart. The vacate “clock” is “stopped” when unit keys have been received by the Housing Coordinator; if the vacate occurs during non-business hours, a student may choose a delegate to turn in keys at 8:30 a.m. on the first business day following the vacate. If the Housing Office is not open, keys may be left in an envelope marked to the Housing Coordinator’s attention at Reception—the receptionist will write the receipt date and time on the envelope. Unit inspections will generally occur on the first business day following a vacate deadline; if personal belongings are discovered during such an inspection, the Director of Facilities will notify the Housing Coordinator to assess fees, retroactive to the agreed upon vacate date and continuing until the key receipt date. (Example: if the agreed upon vacate date were 12/31 at midnight and an inspection on 1/4 revealed that personal items were still in the unit, late vacate fees would begin as of 1/1; if the actual vacate date were 1/6, late vacate fees for six days would be assessed.)

²⁵ Exceptions may be granted if the contract cancellation is due to a leave of absence for medical or academic reasons; supporting documentation is required.

(See the Business Office to apply for other payment options.) Failure to pay outstanding balances and assessments will negatively affect a student’s ability to register for classes, graduate, or obtain diplomas and transcripts. Contract cancellations initiated by PSR are not subject to a cancellation fee or rent forfeiture; however, if occupancy continues beyond the established “vacate date,” \$50 per 24-hour period will be assessed until vacate is complete; other fees may be charged based on results of the vacate inspection/key return process.

- 1) Students may request an inter-campus move/relocation at any time subject to availability of alternative units and the Facilities Dept. maintenance schedule; requests to a like unit (ex: 1BR to 1 BR) will not be approved without compelling reason. A relocation fee is assessed unless:
 - a) the relocation is due to a life change event (e.g. marriage or divorce, establishing or terminating a domestic partnership, increase/decrease in the number of children) or
 - b) the student vacates housing over the summer and their relocation will be effective with the beginning of the subsequent Fall semester.

- 2) Students who are graduating, whose housing eligibility has ended (whether or not they have completed their program), or who cease to be classified as a registered student must vacate their unit within 30 days

 - b) New students enrolling in a Summer Term course as a prerequisite for their Fall semester program will be considered Summer Term students, will be housed in units designated for Summer Term, and will be subject to the daily rental costs; relocation to their permanent housing unit will follow the standard August move-in timeframes/deadlines.
 - c) Fall graduates who need January Intercession classes to complete their degree must vacate their housing units by December 31; they will be assigned commuter student dorm housing through Saturday of the week their class(es) end at no additional charge.
