

## THE E. T. EARL LECTURESHIP FOUNDATION

In 1901, Edwin T. Earl, a member of the First Congregational Church of Oakland, established the E. T. Earl Lectureship Foundation at Pacific School of Religion, to

"Aid in securing at Berkeley, the seat of the University of California as the center of secular learning for California, the adequate presentation of Christian truth, by bringing to Berkeley year by year, eminent Christian scholars to lecture upon themes calculated to illustrate and disseminate Christian thought and minister to Christian life."

The E. T. Earl Foundation has brought noted clergymen and Christian laymen of many denominations to the University community in Berkeley in the past 74 years. For 53 years the opportunities provided by the lectureship have also been made available to ministers throughout the West through the sponsoring of a Pastoral Conference by Pacific School of Religion held at the time of the presentation of the annual Earl Lectures.
